TDAА now offers FEO (For Exhibition Only). They are open to any dog who is registered with TDAА. FEO dogs will run last in the class. They may run on lead and FEO runs do not count towards TDAА titles. No treats or food is allowed during the run, dogs may not repeat any obstacles; no training in the ring is allowed. FEO entries will be taken day of show.

## **Notice to Exhibitors**

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site.

In such case, no refund of any fees paid will be made.

Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts with insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

**ELIGIBILITY:** This event is open to any dog 17" and under, and over the age of 12 months. Exceptions are: bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

**ENTRIES CLOSE** 6:00 p.m January 6, 2010. Day of show entries will be accepted with an additional handling fee of \$2.00 per dog per day.

**Games Classes**

**DOUBLE JOKER:** The goal of this game is to accumulate as many points as possible in a set period of time and then to perform the joker where the dog and handler work some distance apart. At any time the points can be doubled if the handler is in one of the doubling boxes marked on the course. Double joker is a two part game: the point accumulation period and the joker period.

**TAG 10:** The purpose of this game is to accumulate blocks of 10 points and to get as many of those 10 point blocks as possible. After the dog and handler team has accumulated 10 points the dog must perform the tire or a designated jump on the course to bank the block of points. The team continues in this fashion until the time expires. The team may not duplicate a sequence at any time.

**JUST IN TIME:** This is a dog's choice game. The dog and handler will use the allotted time to collect points. At the sound of the whistle the team must get to the table to stop the clock. Bonus points will be earned for the quickest time in getting to the table.

**BUCKEYE STATE PINBALL:** The purpose of this game is to accumulate as many points as possible in the time allotted. All teams start their turn from the same obstacle. Faults are assessed for dropped bars. This game is scored points minus faults, then time. Time is the tie breaker.

### Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

4" jump height – restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exception measuring 12" or less.

8" jump height – restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exception measuring 15" or less.

12" jump height – restricted to dogs measuring 15" or less at the withers; or dogs with a jump height exception measuring 17" or less.

### How the Fast Track Move-Up Works

Titles may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from beginners to superior on the same day, if the dog qualifies first in beginners, then qualifies again in Intermediate.

Likewise, it is possible to move up from Games I to Games III by earning qualifying scores at the lower levels.

A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

Please mark each of the following that apply:

Move up from Beginner to:     Intermediate     Superior  
Move up from Games I to:     Games II     Games III

Submit \$8.00 with your move-up request, and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have four chances at each), and is non-refundable.
